

CONTENTS

Introduction	5
Chapter 1. Theoretical basis of the formation of fixed assets structure for scientific and technical preparation of machine-building production	7
1.1. The concept and structure of fixed assets for scientific and technical preparation of machine-building production.....	7
1.2. Theoretical basis of STPP fixed assets structure formation	21
1.3. Methodological basis of the formation of fixed assets structure for scientific and technical preparation of machine-building production.....	31
Chapter 2. Analysis of the process of fixed assets structure formation for scientific and technical preparation of machine-building production	43
2.1. Analysis of fixed assets composition and structure for the stage of scientific and technical preparation of machine-building production	43
2.2. Evaluation of the necessity to change the fixed assets structure at the stage of scientific and technical preparation of production	63
2.3. Analysis of the structure and scale of the renewal of fixed assets for scientific and technical preparation of production	78
Chapter 3. Evaluation and planning of the process of fixed assets structure formation at the stage of scientific and technical preparation of machine-building production.....	104
3.1. Evaluation of fixed assets structure formation effectiveness for scientific and technical preparation of machine-building production	104
3.2. Planning of fixed assets structure renovation at the stage of scientific and technical preparation of machine-building production	128
3.3. Forming the fund of scientific and technical preparation of production.....	141
Summary	148
Bibliography	150
Appendixes	168
